Key Decision: **No** Implementation Date: **5 May 2020**

Urgent Decision: **No**

DECISION:

- 1) That the recommendations as set out in the consultation report, Appendix A be agreed by the Leader of the Council.
- 2) That expenditure of £73,360.00 be agreed by the Leader of the Council to be expended on design development, pre-construction works and professional fees in order to produce sufficient supporting information and cost certainty to enable a valid full planning application to be submitted and provide the necessary details for the formation of investment plan proposals and funding bids to potential funding bodies.

Reason for the Decision:

To allow the Council to undertake due diligence and development of the design proposals now consulted upon to provide greater certainty of deliverability.

Alternative options considered:

Not to proceed further with the project.

This option has been discounted on the basis of the work carried out to date given the support shown for the proposals through the consultation exercise. The proposals have also seen initial interest shown from external funding bodies.
