9. The reason for the decision and other alternative options considered and rejected:  
  
Demand for mandatory works is being managed within the current core budget. Government has allocated additional funds (report to Executive Board, 13 December 2017) to be spent in-year. These can be used to meet mandatory or discretionary needs, providing that there is a positive impact on individual wellbeing which delays or prevents the need for other provision (e.g. hospital, adult care services). The proposed priorities meet these requirements and works will be progressed in line with these to maximise spend but prevent over-spend.
10. Declaration of any conflicts of interest of the decision making body or the individual: None.
11. Provide a note of any subsequent dispensations granted by the Head of Paid service: NA
