9. The reason for the decision and other alternative options considered and rejected:

Due to damage to current drainage, there is danger of a flooding event in Binbrooke. As there is no single, responsible organisation, four partners have agreed to tackle the initial problem.

The alternative is to ignore the current risk which will potentially cause flooding, and may lead to further damage.

Over recent years, ELDC has worked in partnership with other agencies to tackle small scale flood risk projects. It is felt that this is the most effective and financially viable way of preventing flooding incidents at a local level.

10. Declaration of any conflicts of interest of the decision making body or the individual:

None

[Cost to be shared equally between ELDC, Anglian Water, LCC and Highways on completion]
