1. REPORT

1.1 This report brings forward a joint scrutiny report, attached at **Appendix A**. The scope of this work was agreed by the Overview and Scrutiny Committees at ELDC, SHDC, and BBC and is attached at **Appendix B**.

1.2 This report has been presented to each of the Partnership Councils' relevant sovereign scrutiny committees before being presented to Council. The scrutiny work undertaken was required under the Partnership's Memorandum of Agreement and is an annual commitment.

1.3 All content is contained in the attached Partnership Task Group report and not summarised in this covering report.

1.4 The Leaders of each Partnership Council have collectively considered the recommendations. The Leaders thanked the Panel for their work and are pleased to be able to accept 9 of the 10 recommendations made. The only recommendation Leaders jointly felt unable to accept is recommendation 6 – this conclusion was reached as Member allowances are a sovereign Council matter and not something the Partnership should seek to influence.

EXPECTED BENEFITS TO THE PARTNERSHIP

The opportunity to learn from the Partnership's first year of operation.
