3.1.2 All exemptions, and the reasons for them, must be recorded on the Council's Procurement Exemption Request Form at Appendix 1 to these Contract Procedure Rules and be approved by the Chief Executive, Section 151 Officer, and the Portfolio Holder for Finance, in advance of the award of contract. 3.1.3 All exemption forms must be kept on file as evidence of compliance with the Council's Contract Procedure Rules and all Exemptions must be recorded on the Contracts Register and reported to the Executive Board for noting at the earliest opportunity.	3.5 Every variation/exemption must be recorded on the Council's Procurement Exemption Form at Appendix 1 to these Contract Procedure Rules and the form will be recorded on a master register to be maintained by a Contracts and Procurement Service. 3.2 These Contract Procedure Rules may be exempted where the circumstances meet any of the following criteria within 3.3. Any exemption form must be completed and sent to the Head of Procurement & Contracts in the first instance to allow comments which will assist with the approval or rejection of the exemption. 3.3 The Head of Procurement & Contracts will then pass this through to the Section 151 Officer and Monitoring Officer for approval prior to consideration by the Chief Executive and the Portfolio Holder for the relevant area, as well as the Portfolio Holder for Finance. This process must be followed in advance of the award of contract, and in compliance with the criteria set out in the Delegations to Officers	Changed approval process for exemptions to allow for more robust scrutiny before an exemption is approved.
