#### **SUMMARY**

This report provides an overview of risk management in the authority.

#### **RECOMMENDATIONS**

That the Committee considers and notes the report.

#### **REASONS FOR RECOMMENDATIONS**

The Audit and Governance Committee is responsible for overseeing the effectiveness of the Council's risk management arrangements.

#### **OTHER OPTIONS CONSIDERED**

N/A

## **1. BACKGROUND**

1.1. The Council's Constitution details that the Audit and Governance Committee is responsible for overseeing the Council's risk management arrangements. Under its Terms of Reference the Committee is required to:

- consider the adequacy and effectiveness of the Council's risk management arrangements;
- seek assurances that appropriate action is being taken on risk-related issues identified by auditors and inspectors;
- assess whether the Council's assurance statements, including the Annual Governance Statement, properly reflect the risk environment and any actions required to improve it

1.2. To support the Committee in discharging its responsibilities, this report sets out the Quarter 2 position for risk management as at the end of September 2022.

1.3. A draft Risk Management Framework for the Partnership is currently in development and will come to Committee in March 2023 for discussion and review.

## **2. STRATEGIC RISK REGISTER**

2.1. The Strategic Risk Register has been reviewed at the quarterly risk clinic and by Senior Leadership Team to provide this Quarter 2 position statement. No significant changes have been made since the last quarterly report.

2.2. Appendix 1 includes the current register and the criteria used to assess risk appetite, risk likelihood, risk impact and risk score.

2.3. The operational risk registers are also reviewed on a quarterly basis.

## **3. CONCLUSION**

3.1. The risk management arrangements are designed to provide the Council with a clearer and fuller understanding of the key risks facing the organisation and how these are being managed. They enable the Council to pro-actively manage its risks taking into account the agreed risk appetite level.

## **EXPECTED BENEFITS TO THE PARTNERSHIP**

The Strategic Risk Register has been reviewed and updated to reflect the strategic risks faced by the organisation. Aligning the format and reporting process for risks across the three sovereign councils will ensure that risk management continues to be efficient and effective across the Partnership. The additional risk register for Partnership risks will ensure that these are monitored and managed appropriately where there is synergy across the three councils.

## **IMPLICATIONS**

### **SOUTH AND EAST LINCOLNSHIRE COUNCIL'S PARTNERSHIP**

We are currently identifying strategic risks which are common across the Partnership. This will streamline the monitoring and management of shared partnership-wide risks where there is synergy across all.

We are also working on identifying risks to the Partnership itself, which will be monitored and reported in addition to the Council-specific and partnership-wide registers.
