PUBLIC NOTICE**

**The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012**

**Notice is hereby given** under Regulation 10 of The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 that the Executive Board, on the 15<sup>th</sup> of February 2023, will be requested to take a Key Decision in respect of the National Portfolio Organisation Funding Bid.

The Chairman of the Overview Committee has been notified by the Proper Officer of the intention to make the aforementioned Key Decision in accordance with Regulation 10. Regulation 9 of The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 provides that where the Executive Board propose to make a key decision, that decision must not be made until at least 28 clear days public notice has been given. Where it is not possible to give 28 clear days' notice, Regulation 10 of the above Regulations require that the Council must make available at its offices, and publish on its website, a notice setting out the reasons why compliance with Regulation 9 is impracticable.

**Reasons why compliance with Regulation 9 is impracticable -**

The report was not included in the forward plan as an Executive Board key decision however was marked as a Council key decision. As decisions on this matter must be considered by both Executive Board and Council a timely decision is required by Executive Board to present for Council for consideration by the end of the current schedule of meetings to enable delivery of the related Activity Plan.
