

EAST LINDSEY DISTRICT COUNCIL

SPECIAL URGENCY NOTICE

29 March 2023

Notice is hereby given that under Regulation 11 of The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 the Deputy Chief Executive, Growth is to be requested to take urgent Key Decisions on or after the 29 March 2023 in respect the award of UKSPF funding to overcoming barriers to employment (SELCP – BEAM PROJECT).

The Chairman of the Overview Committee has approved of the intention to make the aforementioned Key Decision in accordance with Regulation 11 as the making of the decisions are urgent and cannot reasonably be deferred.

Reasons why compliance with Regulations 9 and 10 is impracticable and the decision is urgent and cannot be reasonably deferred:

This is a cross-SELCP Project that will be funded through Round One of the UKSPF/RPF Programme. A rigorous assessment process has determined that this project represents value for money and will deliver on the fund's outcomes, as set out in the Prospectus and Investment Plan. However, this project requires rapid mobilisation if it is to achieve the intended benefits for residents and any delay caused by the call-in process will prejudice the public's interest by delaying the funding to this project. As it does not meet the criteria for a key decision in Boston and South Holland District, an immediate delegated non-key decision has been made but in order to maximise operational efficiency, we would like this project to be mobilised in East Lindsey simultaneously and for this to be treated as a matter of urgency.

Signed: Michelle Sacks

Deputy Chief Executive, Growth
