

## **Scrutiny Panels - Update for Overview Committee 20<sup>th</sup> June 2023**

**To monitor the implementation of Magna Vitae's 5-year plan, including Key Performance Indicators.**

This panel started its work in April 2022. In March 2023, it brought an interim report to Overview Committee. Following the election, the panel will need to advertise for 4 additional Members to continue the work. The panel meets quarterly to monitor and discuss the quarterly outturn reports from Magna Vitae.
