9. The reason for the decision and other alternative options considered and rejected:

East Lindsey District Council is one of 48 organisational Partners of the GLNP. The production of position statements ensures the Team can work on behalf of Partners from an agreed viewpoint – responding to consultations and undertaking advocacy work at both local and national policy levels. Partner sign up is required for the GLNP to ‘adopt’ the position statements. It does not commit the Council to any specific actions, but instead allows the GLNP Team to function autonomously in meeting the GLNP’s objective of achieving more for nature on behalf of its Partners, while ensuring that this work is based on the shared values of those it represents. This follows previous agreement on planning, tourism, health and agriculture position statements.
