In advance of the scrutiny meetings, the panel members have agreed to conduct an anonymous all-member questionnaire to gauge the honest views of all Councillors across the Partnership. The questionnaire was sent out on 4th August and the deadline for responses is 6th September. The link to the questionnaire has also appeared in MPB twice, as well as all Councillors receiving a direct email. The questions are as follows:

1. What do you think have been the positives of the S&ELCP so far? Do you have any examples of positive impact you would like to share?
2. What would you improve about the S&ELCP? Do you have any suggestions you would like to share?
3. What do you think the key area(s) of focus should be for the Partnership in the year ahead?
