The panel had its first meeting on 9th October, where they refined the details of the scope and planned what information they would need for the review. They met again on 31st October to narrow down the focus of the review and chose 3 of the key areas of the Healthy Living Action Plan to focus on as part of their review. The panel met again on 13th November to receive a more in depth presentation from Roxanne Warrick. They also chose a Chair (Councillor Dick Edginton) and a Vice Chair (Councillor Mark Le Sage SHDC). They plan to meet again in December and hear from Active Lincolnshire on the work they do in the three areas of the Partnership. They also plan to use future meetings to look more closely at shared issues across the Partnership as they feel this is where the task group can make most impact.
