The panel had its first meeting on 9th October 2023, where they refined the details of the scope and planned what information they would need for the review. They met again on 31st October 2023 to narrow down the focus of the review and chose 3 of the key areas of the Healthy Living Action Plan to focus on as part of their review. The panel met again on 13th November 2023 to receive a more in depth presentation from Roxanne Warrick. They also chose a Chair (Councillor Dick Edginton) and a Vice Chair (Councillor Mark Le Sage SHDC). They met again on 11th December 2023 and heard from Active Lincolnshire on the work they do in the three areas of the Partnership. They plan to use future meetings to look more closely at shared issues across the Partnership as they feel this is where the task group can make most impact when looking to make recommendations. They have a meeting arranged with Phil Perry, Assistant Director for Leisure and Culture, on 29th January 2024 to discuss the work being done in our 3 areas on leisure provision, whether our own or provided through partners.
