REPORT

Background

- 1.1 A joint performance management framework was agreed across the South & East Lincolnshire Councils Partnership for 2023/24 to support the delivery of services. Key Performance Indicators (KPIs) have been agreed to capture performance against the strategic priorities of the Partnership and the individual Councils.
- 1.2 A combined performance report has been presented to Strategic Leadership Team (SLT) and this information has then been split out by Council for Executive reporting.
- 1.3 This report presents the information for East Lindsey District Council for Quarter 3 of 2023/24 (as at December 2023).

Performance (Appendix A)

- 2.1 In total there are currently 77 KPIs for East Lindsey District Council, 34 of which are trend only indicators. 29 KPIs are meeting or exceeding their target, 4 KPIs are within tolerance, and 8 are below target.
