Commentary: The performance on complaint responses has been below target due to capacity within the teams providing necessary information to the governance team, causing bottlenecks and delays. Additionally, there has been an increase in the number of general complaints centred on specific teams. To address this, we have started with the new Complaints Policy to streamline processes and improve efficiency going forward. 5 complex outstanding not included above. 3 late.

Commentary: Quarterly target not met by 8.90%. Call volumes have increased by 9.4%(13672), successful call backs (2916). Call duration in Q3 has increased by 139 seconds. There have been 750 webchats, showing continued success in this digital contact channel. Effective contact handling training deployed through the service to ensure CC are maximising efficiency in how contacts are handled. Over 50% of calls abandoning within 240 seconds and limited take up on call back, despite targeted promotion. Large volume of repeat callers (42%), driving up demand numbers, affecting answer rates. Call durations for R&B are continuing to increase based on multiple needs and trying to resolve as much as possible at first contact. Continued large volumes of recovery, with 23/24 numbers already exceeded by Q3. Extended hours (evening and weekends) put in place during Q3, which will continue in Q4 to provide customers with greater contact options. Additional resource will be in place for the whole of Q4, to support ongoing pressures, as well as targeted customer comms.

Commentary: Expected further income between £100k-£110k from electricity recharges, rates recharges and rental fee. To be paid by licences before March.								

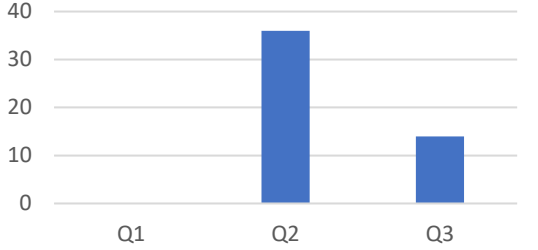

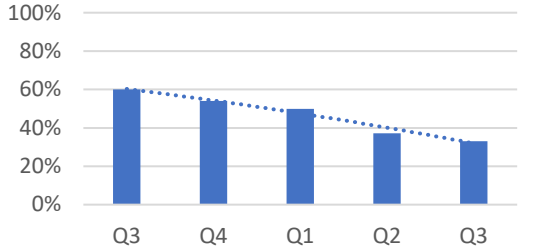

Percentage of available pitches occupied on Kingfisher Caravan Park – cumulative figure to end of successive quarters	AF	52.75%	52.20%	52.07%	53.31%	52.20%	55.00%		
Commentary: During the quarter 8 vans came onto the Park and 16 left. The 8 new licensees were introduced by Invest East Lindsey to the Council in the quarter. However we do have 25 new licensees signed up with hand over to happen in March so we are optimistic we will have over 400 pitches filled at end of Q4.
