

### Campus for Future Living – Background

- In 2019 the government invited 101 places to develop proposals for a Town Deal, as part of the £3.6 billion Towns Fund.
- East Lindsey was offered two Town Deals and up to £20 million Government funding for each Skegness and Mablethorpe.
- East Lindsey District Council as the accountable body was required to establish a Town Deal Board and set out investment priorities and project proposals in a locally owned Town Investment Plan.
- Towns Fund proposals should '*drive long term economic and productivity growth through investment in connectivity, land use, economic assets including cultural assets, skills and enterprise infrastructure*'

Further information is available at: <https://www.gov.uk/government/publications/towns-fund-prospectus>

- In 2020, the Connected Coast Board was established and Town Investment Plans for Skegness and Mablethorpe were submitted.
- **The Campus for Future Living** one of six projects initially developed in Mablethorpe Towns Fund Investment plan, supporting three strategic aims:
  - A Healthy Community
  - An Enterprising Community
  - A Balanced Community
- The business case outlining the strategic, economic, financial and commercial case, secured **£8.6 million Towns Fund investment** for the project.

- **The Campus for Future Living** is the flagship project which will bring transformational health, wellbeing, research and community services to this area of the Lincolnshire coast.
- Acis are the operator for the site and have established successful partnership with East Lindsey District Council's Healthy Living Board to ensure success, innovation and impact of the project.
- The Campus for Future Living, a space designed to **inspire, support** and **connect** the community is a vibrant hub that offers opportunities for health and wellbeing, education, and business growth and will be operational from April 2025, with official grant opening event on 12th June 2025
